**BID BULLETIN NO. 1**

(December 14, 2016)

Design and Build of Additional Airborne Infection / Protective Environment Facility, PCR Laboratory & TB Laboratory, Rehabilitation of TB-DOTS & PMDT Area  
Bid No: 2016-11-0710 (ABC No. 2016-047)

This **BID BULLETIN No. 1** is issued to modify or revise some Eligibility and Technical Requirements indicated in the *Checklist of Requirements and Bid Data Sheet (BDS)* of the abovementioned infrastructure project. This modification shall prevail and form an integral part of the Bidding Documents.

- The computation of the Detailed Estimates must be in accordance to the DPWH Department Order No. 22 s. 2015.
- The Additional Airborne Infection / Protective Environment Facility must be in Negative Pressure.
- The winning bidder must provide their own electricity and water supply (OCM) during the project implementation.

All other provision of the bidding documents which are not affected shall remain in effect.

For guidance and information of all concerned.

**RICARDO S. JUSTOL, MARE, MPA**  
Chairperson, Bids and Awards Committee
