(December 14, 2016)

24/7 HIS Software Maintenance, Support Systems Integration
and Enhancement of Hospital Information System
Bid No: 2016-11-0704 (ABC NO. 2016-045)

This BID BULLETIN No. 1 is issued to modify or revise some Eligibility and Technical Requirements indicated in the *Checklist of Requirements, Bid Data Sheet (BDS)* and *some items in the Technical Specifications* of the abovementioned project. This modification shall prevail and form an integral part of the Bidding Documents.

a. Checklist of Requirements and Bid Data Sheet:

- The Statement of the prospective bidder of all its ongoing government and private contracts, including contracts awarded but not yet started, if any, whether similar or not similar in nature and complexity to the contract to be bid shall be supported by the **Purchase Order or Contract Agreement or NOA** stating the amount of the project;

b. Technical Specifications:

- In page 18 under the Source Code, replace the *One (1) copy* to **Two (2) Copies of the production source code** and the requirement becomes "*One (1) month before the 12th month within the contract period stipulated in the contract agreement or any extension thereof, the provider shall deposit with SPMC IHOMP **Two (2) copies of the production source code** of the enhanced, modified or updated hospital information systems*".
- The winning bidder should submit a **Notarized Confidentiality Non-disclosure Certification** that must be integrated in the contract agreement.

All other provision of the bidding documents which are not affected shall remain in effect.

For guidance and information of all concerned.
