This BID BULLETIN No. 1 is issued to modify or revise some of the *Eligibility and Technical Requirements and Schedule of Requirements* of the abovementioned project. This modification shall prevail and form an integral part of the Bidding Documents.

1. A certified true copy of the following documents shall be submitted by the bidder if the submission of the original copy may not be possible. The following documents can be certified as true copy by the authorized signatory of the bidder:
  - a. Legal Documents
  - b. Attachments or supporting documents in the *Statement of all its ongoing government and private contracts, including contracts awarded but not yet started*
  - c. Attachments or supporting documents in the *Statement of the Bidder's Single Largest Completed Contract (SLCC) similar to the contract to be bid*
  - d. Audited financial statements
  - e. Certificate that the machine has passed or conforms to the International Electrotechnical Commission (IEC) or ISO or its equivalent for equipment only
  - f. Training Certificate of the Technical Personnel / Service Engineer who were trained to conduct installations, preventive and corrective maintenance of the equipment
2. Certificate issued from abroad must have the signature of its notary public authenticated by the Philippine Consulate Office in that country. A certified true copy of the original document must be certified true copy by a practicing lawyer in the Philippines such as the following:
  - a. Notarized Certificate of Exclusive or Authorized Distributorship in the Philippines issued by the Principal or Manufacturer of the equipment to be supplied
  - b. Commitment under oath (Notarized) Certification from the manufacturer or principal that any changes of their Philippine exclusive representative will not in any way affect the two (2) years warranty of the equipment
3. The "Comprehensive Training Module" required in the technical specification must be designed and prepared by the bidder indicating the following:
  - a. The objective and aim of the training
  - b. The activities or work that shall be done during training
  - c. The participants of the training
  - d. The schedule mentioning the no. of days or hours
4. The schedule of delivery of the items being procured as stated in the Schedule of Requirement has been changed to 90 calendar days from originally 120 calendar days.

All other provision of the bidding documents which are not affected shall remain in effect.

For guidance and information of all concerned.
